

## Digital Life Assignment 3 – Using Creative Commons

Imagine that you have to create a presentation to represent an emotion. For this project, you will need:

- 1) 5 images
- 2) One Song

Find the required items using a creative commons license search tool:

<http://search.creativecommons.org/?beta=1>

In a word document, I would like to you to include the following information for each item found:

Emotion:

URL:

Original Creator:

CC License Description:

When finished, go to My Big Campus and upload the Microsoft Word document to DL Assign3

---

Finally, I would like you to comment on the MBC discussion about whether creative commons is a realistic way for people to work creatively while still respecting the law.
