Download a new copy of the template and save it to your **XHTML folder** (in your documents folder) as ***firstnamelastname-WDassign8.html***

Create a page sample that describes your best friend and what they are like. It should resemble the layout below, but your color selection should be all your own.

The image shows a sample web page layout for 'All about Ashley'. It features a dark blue outer border, a light blue inner background, and a white title box at the top. The main content is organized into sections with headings, horizontal lines, and text boxes.

All about Ashley

Who is Ashley?

Ashley is a friend of mine I met last year in grade 9. We haven't known each other for a long time, although, we are still good friends. This semester, we only share 2 classes, but we still hang out during lunch and chat on MSN after school.

What are Ashley's Defining Qualities?

Friendly and Helpful.

Ashley is one of the most friendly and helpful person out of all of my friends. She's not superficial and judgmental like others. Sometimes, she uses her spare time to volunteer and help others.

Smart.

Practically in all of her classes, she gets good grades. Ashley pays attention in class, and gets all her work done on time. She was also in the Honour Roll last year.
